

Become a CNIB Volunteer

We invite you to get involved with CNIB in your community, and help provide life-changing support to people who are blind or partially sighted, right in your own backyard.

You'll make a lasting difference in the lives of people with vision loss and their families, have a direct impact in your community, learn new skills and develop lasting friendships.

By joining the CNIB volunteer team in Peterborough, you can...

- provide friendship and support to people who are experiencing vision loss as a CNIB "Vision Mate."
- keep CNIB running smoothly as an administrative coordinator or friendly phone operator.
- provide transportation and hands-on support for ambassadors at CNIB events.

To become a part of our passionate volunteer team today, please contact
